Religions in India (From Wikipedia, the free encyclopedia) India is one of the most religiously diverse nations in the world, with religion playing a central role in the lives of most Indians. 80% of the people in India are Hindus, considered one of the oldest religious and philosophical systems in the world. Islam is practiced by 13.4% of all Indians, Christianity by...

18/02/2019 - The pantheon of Maya gods and goddesses is an array of anthropomorphic, personified deities who were often associated with animistic spiritual forces. As a group, the loosely allied city-states known as Maya polities shared all of the gods, but certain deities were identified with specific Maya centers or the dynastic families of the rulers of those cities.

The gods of the ancient Greek pantheon are divided into various categories on the following pages. The first of these—the Olympian gods, Titan gods, and primordial gods—represent the three generations of deities to rule the cosmos. The next five categories divide the gods by domain, namely the gods of sky, sea, earth (rustic and agrarian), and underworld. The final...

Norse Gods & Goddesses. Overview. Stemming from the northern Germanic tradition, the mythology of the Norse is by design both grim and grand. It is the mythology not just of a people with a strong warrior culture, but of a people who found great joy in art and in crafts. It is a mythology of a people who explored, who survived on the edges of the world and ultimately of...

Thus, like every deity invented before and since, these gods and goddesses are embodiments of human solipsism. (Of course lightning is caused by a giant, angry man in the sky.) I mean, what else could it be? The stories of their battles, bickering, and sexual conquests have indelibly influenced the course of Western language and narrative. Here is a selection of some of the A...

Ancient Egyptian Gods and Goddesses. Most Egyptian gods represented one principle aspect of the world: Ra was the sun god, for example, and Nut was goddess of the sky. The characters of the gods were not clearly defined. Most were generally benevolent but their favor could not be counted on. Some gods were spiteful and had to be placated. Some, such as Neith, Sekhmet, ...

06/07/2018 - The gods and goddesses of Greek culture significantly influenced the development of Roman deities and mythology. Due to Rome's geographic position, its citizens experienced frequent contact with the Greek peoples, who had expanded their territories into the Italian peninsula and Sicily. As the Roman Republic was rising to prominence, it acquired these...

Some gods and goddesses took part in creation, some brought the flood every year, some offered protection, and some took care of people after they died. Others were either local gods who represented towns, or minor gods who represented plants or animals. The ancient Egyptians believed that it was important to recognise and worship these gods and goddesses so that...
The gods and goddesses of ancient Egypt were a complex group of beings and ideas. As the culture evolved, so did many of the deities and what they represented. Here are some of the best-known Gods and Goddesses of Ancient Egypt.

Over the course of Egyptian history hundreds of gods and goddesses were worshipped. The characteristics of individual gods could be hard to pin down. Most had a principle association (for example, with the sun or the underworld) and form. But these could change over time as gods rose and fell in importance and evolved in ways that corresponded to developments in
